---

Excell is seeking Project Manager's to join our expanding operation. The ideal candidate will be a hardworking, punctual, articulate, trustworthy individual, displaying high standards of initiative. The candidate must display good communication skills and be fluent in the English language. Clean full drivers' licence, own transport, on-site construction and management experience are mandatory.

The role will entail a 40-hour work week. Candidates must be based within the Dublin area, willing to travel nationwide and work on-site if the situation arises.

## **Key Responsibilities of the Role:**

- Project oversight, managing projects from conception to completion.
- Motivate a team of individuals to achieve project objectives and requirements.
- Ensuring your project team delivers on time and on budget, while adhering to the highest standards of quality, safety and client satisfaction.
- Measuring projects.
- Work on site as part of a team within both small and large groups.
- Project stakeholder management, liaising with clients and suppliers to ensure effective delivery of project objectives.
- Stock control.
- Collecting site material and visiting multiple sites when necessary.
- Other duties as assigned by senior management.

Attractive remuneration package available!
